

Product Change Notice: Select ECW-F(D) Metalized Polypropylene Film Capacitors In 630 VDC

PCN.PG22.07.18.2018

07.18.2018

About This Notice:

At the time of new product introduction for ECW-F(D) Series Metalized Polypropylene Film Capacitors in 630 VDC, there were five (5) part numbers in the launch materials that were provided by Panasonic incorrectly. This Product Change Notice is a formal request to change / correct the part numbers in channel systems. The specifications all remain the same. Only the part numbers need to be changed in order to place orders with Panasonic and provide the correct part numbers to end use customers.

Effective Date:

Immediate.

Change Details:

As above.

Affected Parts:

| Incorrect Part Number | Correct Part Number |
|-----------------------|---------------------|
| ECW-FD2J105PC | ECW-FD2J105JC |
| ECW-FD2J1225J | ECW-FD2J225J |
| ECW-FD2J1225K | ECW-FD2J225K |
| ECW-FD2J1275J | ECW-FD2J275J |
| ECW-FD2J1275K | ECW-FD2J275K |

Datasheet(s):

See attached.
