Change Notice:

3M™ Round Conductor Flat Cable, 3601 Series

3M™ Round Conductor Flat Cable, 3604 Series

3M™ Round Conductor Flat Cable, 3609 Series

To Our 3M Authorized Distributors,

In August 2020, 3M communicated an announcement regarding a source of supply change for the 3M™ Round Conductor Flat Cable Series 3601, 3604, 3609 series.

3M is pleased to announce that the relocation is complete and we are now ready to start accepting orders as of 10/25/2021. With the relocation of the factory from the United States to Mexico the Country of Origin (COO) has been updated to Mexico. Due to the COO change 3M has created new SKU's and SAP ID numbers.

There was no change made to the cables form, fit or function and the current technical data sheets attached in this email are up to date and correct.

We very much appreciate your patience during this transition and if you have any questions or concerns going forward, please do not hesitate to reach out.

Sincerely,

Brent Gossett
