

NO: LB-001
 DATE: June 2018

PRODUCT: SB12 / MTLED / T4012
 TYPE: Discontinuation Notice

**M20 Conduit LED Beacons (various models) will be discontinued;
 There are no replacements.**

The accessory M20 Conduit LED Beacons used with various muting controllers, switches and other OSTI safety products has been discontinued with no replacement due to low sales. These indicators were available in Amber, Red, Green and Clear.

Discontinuation Date: October, 2019
