

Notice of name change for CoolX Wide Trim CoolMods

6th March 2020

To whom it may concern

Excelsys Technologies, an Advanced Energy company, has recently updated the nomenclature of the Wide Trim range of CoolMods for use with the CoolX family of modular configurable power supplies.

The table below outlines the cross reference of the new part numbers to the previous part numbers.

New and Active CoolMod Part number	Previous CoolMod Part number
CmA-W01	CmM
CmB-W01	CmN
CmC-W01	CmP
CmD-W01	CmQ

All product datasheets have been updated to reflect the new nomenclature.

All current open purchase orders for CmM, CmN, CmP, CmQ should be converted to the new part numbers. New purchase orders will only be accepted for the new part numbers outlined above. Please contact Mary Hayes (Mary.Hayes@aei.com) for assistance in converting open purchase orders to the new part numbers.

Yours Sincerely

Dermot Flynn
