Title: Discontinuation of FTS 3100-A and FTS 3082-ASFP

Page 1/1

Dear Customer,

Please be informed about the phase out of our two Fast Track Ethernet Switches. The two discontinued models are **FTS 3100-A (p/n: 20781104000)** and **FTS 3082-ASFP (20781104300)**.

Below are two new Fast Track products that can be ordered as direct replacements for the discontinued variants. Please note that the new models have exactly the same physical and electrical characteristics when compared to the phased out products.

New Part Number	New Switch Name	Replacement For
20781104001	Ha-VIS FTS 3100-A-PTP	20781104000
20781104301	Ha-VIS FTS 3082-ASFP-PTP	20781104300

Please note that the replacement FTS products have additional functionalities such as hardware based Precision Time Protocol (PTP acc. to IEEE 1588 v2) and Media Redundancy Protocol (MRP).

The last time buy for the phased out models is **November 2016**.

For the last time buy please contact our customer service team (**1-866-278-0306**, stkcheck@HARTING.com).

In case of questions or concerns, please do not hesitate to contact our technical support.

Technical Support E-mail: TechSupportUS@HARTING.com
