TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

**General Product Description:**  
Safety cover (6C1N\*), Jumper (J4\* and J74\*)

**Description of Changes**  
Manufacturing location change. Connector assembly process for the following Part Numbers which is sub contracted to Outside Vendor in Mexico will be transferred to another Outside vendor also located in Mexico. This action is needed to continue the production of these part numbers.

**Reason for Changes:**  
Dear Customer, because of our continuous strive for improving our processes, we hereby inform you about a transfer of tools and/or processes. The transfer is executed by following a strict transfer procedure, which guarantees no negative influence on quality, ability to supply and form fit function of the concerned products. The new outside vendor manufacturing location is under a certified quality management system according the standard industry requirements. An internal release based on our specifications will be executed before any parts will be delivered, which guarantees the performance.
