The following Phoenix Contact products have been modified. Existing specifications will be met or exceeded. Please review and acknowledge this document and inform your personnel as needed.

Description for Product Change Notification

In consideration of a continuous improvement process of Phoenix Contact Push-in terminal blocks, there will be a product change which will affect the above mentioned articles of the PT 2.5-MT(B) (-TWIN, -QUATTRO) series. The product change affects the current bar, the push button, and the plastic housing. The product change has no influence on handling, ergonomics, or the top view design. Old and new design are in the same shape, are compatible, and may be mixed. The existing accessories are still suitable, with one exception. The DS-ST 2.5 will not be suitable any longer. Please see attached information for further description.

Stock Status

Can existing stock still be used?	Yes
Is mixture of stock acceptable?	Yes
