TE Connectivity

Product Change Notification: P-17-014635

PCN Date: 18-JUL-17

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:
Additional Capacity

Description of Changes
To better support our customers delivery expectations, TE will be adding a line capacity for the part numbers listed below. While the product will continue to run in the current manufacturing location, it is our desire to add capacities for plating of these part numbers at one of our TE Americas Automotive outside suppliers and thus dual source the components.

Reason for Changes:
Product improvement. These efforts will position us better to serve your future needs. The outside supplier operates under a certified quality management system in accordance with standard automotive requirements.
