Reason for Changes:
Dear Customer, as a result of our continuous strive for improving our processes and lead times, we hereby inform you about the addition of a new plating supplier for Hermetic connectors. Validation of this new supplier is executed by following a strict transfer procedure, which guarantees no negative influence on quality, ability to supply and form-fit function of the concerned products. The new manufacturing location is under a certified quality management system according the standard industry requirements. An internal release based on our specifications will be executed before any parts will be delivered, which guarantees the performance.
