

Date: 8/24/18

To: All Cinch Connectivity Solutions Distribution for Trompeter Products

Subject: Discontinuation Notice

Dear Distributor,

This letter serves as formal notification that Cinch Connectivity Solutions is discontinuing the production of the following part numbers under the Trompeter brand name.

TWAC-78-1F2/500
TWAC-78-1F2/1000

TWAC-78-1F2 remains active until the existing inventory of ~ 4,000 feet at various splice lengths is depleted. Please contact our Customer Service group for details before ordering. This discontinuance takes effect immediately. Cinch Connectivity Solutions acknowledges the obligation to promptly inform our customers of the intent to exit products to enable our customers the ability to prepare for alternatives.

Cinch Connectivity Solutions appreciates and values our business relationship and looks forward to your continued interest in our products. While we regret any inconvenience this announcement may cause, we are eager to supply your future product requirements with our world-class quality product portfolio.

Best Regards,

Duane Teachout
