

Product Change Notification

TE Connectivity

Product Change Notification: P-14-010653

PCN Date: 09-OCT-14

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:
 Obsolescence AMPSULATION & 5 RNF-100

Description of Changes
 This PCN is being created to clarify that all the parts listed in a previous PCN (P-14-010623) are being obsoleted. The original description is as follows: In an effort to rationalize our product offerings, we will be discontinuing AMPSULATION brand Heavy Duty Heat-Shrink Tubing products as of December 31, 2014. Volumes have been steadily dwindling since we took over this product line in October 2002. In addition, we will be discontinuing 5 RNF-100 in all colors other than Black. The last day for entering orders for these products will be November 14, 2014. All orders must ship in full by December 31, 2014.

Reason for Changes:
 Part status change. In an effort to rationalize our product offerings, we will be discontinuing AMPSULATION brand Heavy Duty Heat-Shrink Tubing products.
 Estimated Dates:
