## **Re: (Final) Notice of Product Discontinuation**

Cosel has already announced the following models are going to be discontinued, but this is a final notice.

Please have you know again, and place a last order before this product discontinuation if you need.

### 1. Last Date of Order Processing

Orders will be accepted through April 20, 2020.

### 2. Discontinued Models

Table 2.1 shows the models to be discontinued. The obsolete models include the parts with options and modification. Recommended replacement models are shown below.

Table 2.1 Discontinued Models and Recommended Replacement Models

| Series     | Discontinued Models | Recommended Replacement Models *1   |
|------------|---------------------|-------------------------------------|
| MAX series | MAX1600F            | Multiple units of ACE900F, PBA, PCA |
|            | MAX1600T            | Multiple units of PBA1500T          |
|            | MAX3200T            | Multiple units of PBA1500T          |

\*1 Depending on the slots to be used, a combination of recommended replacement models is different.

Table 2.2 shows optional parts of discontinued models.

Table 2.2 Optional Parts to be Discontinued

|                     |  |
|---------------------|--|
| Harness             | H-SN-3, H-SN-4, H-SN-6                 |
| Terminal attachment | B-MX-9                                 |
| Fan unit            | FAN-MA1, FAN-MA1-B, FAN-MA3, FAN-MA3-B |

### 3. Reason for Discontinuation

The demand for MAX series has dropped and many components mounted in these products are no longer in production, which makes it difficult for Cosel to keep producing them.

Should you have any questions or concerns, please contact our local sales representatives.

Best Regards.
