Reason For Change	Supplier Change
-------------------	-----------------

Change Description	<p>Purpose of this GCN is to developing 'Wieland' & ' Xingye' as a alternate supplier for UBC metal strip (365190001). There is no impact to the product since this is only a supplier change. The reason for change is as the current supplier KME decided to exit from Brass business with Molex India, hence we decided to develop these alternate supply partners for continuity in supplies to meet customer commitments. We will carry out internal qualification of alternate supplier RM through FAR & conclude before shipping parts to customer.
