

PRODUCT DISCONTINUATION

#PD-IFC-O316-16

Business Unit	Product Line Code	Type of Change	Action	Date of issue
IFC	BF1	Discontinuation	Notify Distributors and Field	8/5/2016

Phoenix Contact's factory has announced the following product(s) is going to be discontinued. Existing specifications will be met or exceeded. Technical support of the discontinued product will continue, as required. Please review and acknowledge this document and take the appropriate action with respect to your existing inventory and ordering replacement parts.

Reason for Discontinuation:

The VS (Variosub) product line is being replaced by the NBC (Network Based Cable) product line. The NBC offering includes more options for standard stocked lengths and uses the exact same cable materials as the discontinued VS products. The M12 coupling nuts on NBC articles are all SPEEDCON 1/2 turn technology (which are fully backwards compatible to full-thread products). CMAT articles in the NBC series can also now be configured and priced directly on the Extranet. CMAT configured cables require a 25 piece MOQ to cover machine setup and have a maximum length of 40 meters. All standard catalog lengths have a 1 piece MOQ. If you have specific questions about appropriate crosses, please contact Technical Service.

Warranty Information:

N/A

Stock Status

Can existing stock still be used? Y

Is mixture of stock acceptable? N

Transaction Dates:

Last Buy from Phoenix Contact: 11/1/2016

Last Scheduled Ship from Phoenix Contact: 11/30/2016

Phoenix Contact Inc.
P.O. BOX 4100
Harrisburg, PA 17111-0100
Phone: 717-944-1300
Fax: 717-944-1625

PRODUCT DISCONTINUATION

Should you have any issues with the timeline or content of this discontinuation, please contact Phoenix Contact using the contact information below. Customers should acknowledge receipt of the PD within 30 days of delivery of the PD; provided, however that the failure to acknowledge receipt does not affect the product discontinuation or the effective date thereof.
