

4M Change Notice

DCDC Converter / MYBSS054R6EBF

Dear. Valued Customer

Thank you very much for your great and continued support for business with Murata.
This is the official notification that some of our products' 4M Change will be proceeded as detailed below.
Please review this, and confirm that you will expect to receive products after this 4M Change.
Your understanding and support are highly appreciated.

1. Product Type, Changes, and Customer/Murata/Alternative Part Numbers:

Product Type: DCDC Converter / MYBSS054R6EBF

Changes: Man Machine Material Method

Before Change	After Change
PMPD0141	PMPD0141 or PMPD0256

Please refer to the attached documents for detailed Part Numbers' information.

2. Reasons/Background:

In order to improve the LT period for materials with long delivery times,
Murata will add alternative parts

3. Products Before and After the Change:

There are no changes of the products' design, quality, guaranteed specifications, and others,
as Murata continuously uses the same production process and quality control system.
Please refer to the attached file for further details.

4. Change Schedule:

Start Shipping Date: This change will start once it's confirmed.

5. Contact Window:

Should you have any questions or concerns,
please contact Murata Sales, Representative, or Distributor in your area.

Truly Yours. Thank you.
