

Product Change Notification

TE Connectivity

Product Change Notification: P-14-010254

PCN Date: 16-JUN-14

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:
COPALUM Terminals

Description of Changes
The protective packaging material will be changing from a plastic mesh sleeve to a cohesive coated polyethylene foam for the part numbers noted in this PCN.

Reason for Changes:
Product improvement. Current method causes long term ergonomic concern related to repetitive motion with inserting terminals into the mesh sleeve. In addition, it will be easier to remove the product from the new packaging material. The foam will also provide a protective advantage over the plastic mesh sleeve.

Estimated Dates:	
Last Order Date (Obsolete Parts Only):	First Date To Ship (Changed Parts Only):
	18-AUG-2014
Last Ship Date (Obsolete Parts Only):	Last Date for Mixed Shipments: (Changed Parts Only):
	28-FEB-2015
