To Whom It May Concern;

This is to inform you that Essentra has made the decision to obsolete our complete line of our Metal Core Screws. Attached is a list of all of the SKU's it affects. Regrettably we are not able to offer any functional alternative to these parts.

These parts went obsolete on December 15, 2021 due to unforeseen challenges imparted by pandemic-related issue.

If you have further questions please let me know.

Best Regards,
Cheryl Cummins
Key Account Manager
