Product Change Notice

PCN#: EE-PCN18008

2/22/2018

CLASSIFICATION OF CHANGE:

Documentation

DESCRIPTION OF CHANGE:

Removal of lead-free specification on datasheet for part numbers XLM-62R1137-R and XLM-62R1137A-R.

REASON FOR CHANGE:

Select components were found not to meet Eaton Electronics Division's lead-free definition.

EXPECTED INFLUENCE ON QUALITY, RELIABILITY, AND PERFORMANCE:

There is no change to the product. This is a change to the datasheet only. All products continue to meet RoHS requirements.

PARTS FAMILIES AFFECTED:

XLM-62R1137-R	XLM-62R1137A-R
---------------	----------------

TIME SCHEDULE:

Start shipment date: Immediately

Existing inventory is saleable and should not be returned.
