

November 2021

Distributor & User Advisory Notice Product Transition: 3M Spectacle Kits

Dear Valued Customer:

We would like to inform you of some upcoming changes to the 3M Reusable Respirator product line to help ensure the products you are using offer the best in terms of availability and performance for the long term.

3M is discontinuing the 3M™ Spectacle Kit FF-400-20 and 3M™ Spectacle Kit 6878 **November 10, 2021** and will instead be offering the new 3M™ Universal Spectacle Kit 102 which can be utilized with either the 3M™ Full Facepiece Reusable Respirator FF-400 and 6000 Series.

After discontinuation, orders for the existing spectacle kits FF-400-20 and 6878 will be fulfilled only if there is existing inventory. After that time, all outstanding orders will be transitioned over to the new spectacle kit. Portfolio changes are highlighted below.

Products being discontinued:

Part No.	3M Stock #	Product Name
6878	7000002031	3M™ Spectacle Kit, 6878, 1 EA/Case
FF-400-20	7000002325	3M™ Spectacle Kit, FF-400-20 1 EA/Case

Suggested replacement options:

Part No.	3M Stock #	Product Name
102	7100254233	3M™ Universal Spectacle Kit, 102, 1 EA/Case

Please contact 3M Technical Service at 1-800-243-4630 if you would like to discuss specific solutions to your individual needs or visit [3M.com/WorkerSafety](https://www.3m.com/WorkerSafety) to see further product information and resources.

3M endeavors to provide the highest quality of respiratory protection products in the marketplace, and we regret any inconvenience these product transitions may cause. If you have any questions, please reach out to 3M.
