Notification Letter

WMRAG Series

Dear Valued Customer

Thank you very much for your great and continued support for business with Murata.
This is an official notification for the product shown below.
Your understanding is highly appreciated.

1. Product Type:

Product Type: WMRAG Series

2. Notification

We will change carrier tapes of WMRAG series.
Please refer to the following information for the details.
New carrier tape will be implemented to next shipment.
Electrical and dimensional specification of product itself, and Product Part
Number are not changed.

3. Contact Window:

Should you have any questions or concerns, please contact with Murata sales.

Truly Yours. Thank you.

Takahiro Takagi
General Manager
Functional Device Division
Murata Manufacturing, Co., Ltd.
