

6th August 2020

Ref: AJM90 Class I Series End of Life

Please note that the XP Power series shown in the tables below will soon become obsolete. Alternatives where available are shown below.

XP model number	Class	Alternative	Class
AJM90	I	AEJ100	I

Orders for the above EOL models will be accepted up until 14th August 2020, but it is likely that some stock will still be available in the distribution channels well beyond this date to support customer needs in the longer term; information available via the XP Power website using the stock check button on the relevant product page.

The class II version of the AJM90 continues to be available but only has medical safety approvals.

If you have any questions, please contact your local sales office to discuss <https://www.xppower.com/Support/Contact-Us>

Best Regards
