Dear Valued Customers:

Advantech is announcing the End of Life (EOL) of the BB-APMN-Q551 product and custom versions based on the standard version. The model numbers for custom versions based on the standard follow the naming convention BB-APMN-xx551. A replacement product has been developed which is pin compatible with the old version. However, due to ongoing supply chain issues, availability is limited. Contact your sales account manager if you desire samples for testing.
