To Whom It May Concern,

This is to inform you that Essentra has made the decision to obsolete the parts called out on the following page. You are being notified because you have ordered one or more of these products in the past.

Replacement part numbers are called out in the table on the following page. These are direct replacements of the old part number in terms of meeting Essentra drawing requirements. Please note that the replacement part material is Nylon 6/6 versus the obsolete part material Nylon 6.

The effective date is October 10, 2022. If you have further questions or are interested in inquiring about any remaining available stock, please speak with your sales contact.

Best Regards,

Greg Mifsud
