Subject **Discontinuation Announcement:**
CLM 20A Lighting Contactors

To Whom It May Concern,

Due to supplier phase out, effective immediately, Siemens has discontinued the CLM 20 amp lighting contactors. All remaining inventory will remain for sale until depleted. Class LC lighting contactors with the mechanical conversion accessory are a suitable substitute. The remaining CLM contactors 30 – 400 amp will continue to be offered.

We understand that this product discontinuation can be a significant inconvenience and will do our best to accommodate your needs when working through it. Please contact customer support with any questions or concerns.

With kind regards,

Dave Otey
