

# 171002168 Remove MSL Level from Si5330, Si5334, Si5355, and Si5356 Datasheets

**Bulletin Issue Date:** 10/2/2017

**Effective Date:** 10/2/2017

## Description of Change

Silicon Labs is pleased to announce updates to the following datasheets to remove MSL rating:

Si5330, Rev1.1 --> Rev1.2  
Si5334, Rev1.3 --> Rev1.4  
Si5355, Rev1.2 --> Rev1.3  
Si5356, Rev1.1 --> Rev1.2

## Reason for Change

The most up to date MSL rating for all Silicon Labs products can be found in the RoHS database on [www.silabs.com](http://www.silabs.com)

#### Disclaimer

Silicon Labs intends to provide customers with the latest, accurate, and in-depth documentation of all peripherals and modules available for system and software implementers using or intending to use the Silicon Labs products. Characterization data, available modules and peripherals, memory sizes and memory addresses refer to each specific device, and "Typical" parameters provided can and do vary in different applications. Application examples described herein are for illustrative purposes only. Silicon Labs reserves the right to make changes without further notice and limitation to product information, specifications, and descriptions herein, and does not give warranties as to the accuracy or completeness of the included information. Silicon Labs shall have no liability for the consequences of use of the information supplied herein. This document does not imply or express copyright licenses granted hereunder to design or fabricate any integrated circuits. The products are not designed or authorized to be used within any Life Support System without the specific written consent of Silicon Labs. A "Life Support System" is any product or system intended to support or sustain life and/or health, which, if it fails, can be reasonably expected to result in significant personal injury or death. Silicon Labs products are not designed or authorized for military applications. Silicon Labs products shall under no circumstances be used in weapons of mass destruction including (but not limited to) nuclear, biological or chemical weapons, or missiles capable of delivering such weapons.
