Engineering Change Customer Notification Form

January 17, 2023

Please be informed the following changes have been made. Our records show you have purchased the parts below.

Part #: _____ **2265** _____

Description: _____ **AB 2** _____

Effective Date of Change: _____ **Immediately** _____

Summary of Change:

There is a significant delay in the current design of part 2265, attached is a picture of the alternate part. The alternate part is the same form, fit, and function. The main difference between the current and new design is the length of the tab. Please let us know ASAP if you do not wish to receive the alternate part.
