Bourns® Model TISP4C0xxL1NR-S Overvoltage Protector Series to be Discontinued

In accordance with our ongoing product lifecycle management procedure, Bourns has identified the [Model TISP4C0xxL1NR-S](#) Overvoltage Protector Series to be transferred to an End of Product Life status. A lack of sales volume and diminishing demand necessitates this action.

Recommended replacement products within the [Model TISP4P0xxL1NR-S](#) series are available and are listed below. The replacement devices are functionally similar and are pin-to-pin compatible. Please contact the Bourns team of Field Application Engineers if you have any questions regarding the suggested replacement parts and your application requirements.

Products purchased during this End of Product Life transition period will be covered by Bourns' standard warranty. Last Time Buy orders for these products will be considered non-cancellable and non-returnable.
