Process Change Intension Notice

LAPIS Semiconductor would like to thank you for your continued patronage, and respectfully, inform process change intension notice for following process change, and requests approval after receiving process change application.

—Note—

Application	Current Part Number ML9472TBZ0AAL	New Part Number ML9472TBZ0ARL
Items Changed	Current Please, refer 4M change document	Subsequent Please, refer 4M change document
Purpose of Change	<p>After a flood in Thailand, thank you for a production base and cooperation by the change correspondence of the company name logo. This time, Amkor (outsourcing) shut down Amkor-K1 factory according to their reorganization. Therefore, Lapis change factory Amkor-K1 to Amkor Philippine for stable supply and requests approval of transfer application with the document of the Amkor Philippine factory. Amkor Philippine has same production line to Amkor-K1. By a change of degrees, Lapis would like to ask cooperate on the occasion of change application, recognition work in future because Lapis will push forward a plan with receiving a customer help.</p> <p>(attached data : <input checked="" type="checkbox"/>available · <input type="checkbox"/>not available)</p>	
変更時期 Time of Change	<p>After completing production line and reliability test, it is a plan to inform process change notice. In the early stage of the overseas new factory, please approve it. If there is any question or concern, please contact to Rohm marketing for consultation.</p>
