

**Part Number Change for Marktech Optoelectronics LEDs**

Announced January 22, 2015

Effective Immediately

The following parts are affected by this announcement:

**MTE3650L-UV-HP**

**DESCRIPTION OF CHANGE**

Effective immediately, Marktech Optoelectronics has changed the part number of its UV LED emitter from **MTE3650L-UV-HP to MTE3650L2-UV-HP**

The reason for the change is that a new higher efficient version of the UV die used in this package has replaced the original UV die which is no longer available.

**IMPACT OF CHANGE**

Marktech Optoelectronics believes this change will be transparent to the customer / end user. The devices will function similarly.
