Document subject to change without prior notice

1. Purpose

To notify of change in RTA series shaft material from UDEL GF130-NAT, a PSU, to THERMX CG907-NAT, a PCT.

2. Overview

C&K was notified by our vendor they can no longer supply shafts molded using UDEL GF130-NAT. After research and experimentation with alternatives THERMX CG907-NAT was determined to be the best replacement.

3. Impact of Change and Qualification

3.1 Impact of Change

No Change to form, fit or function.

3.2 Qualification

Complete requalification at C&K. Test reports available upon request.

4. Part numbers affected

All RTA products. See Appendix A for part numbers with activity in the last 36 months.

5. Date of application

Due to lack of advanced notice to C&K from our supplier the change will take place immediately.

6. Conditions of application

Pricing and stock handling policy:

- * Pricing: any pricing and other sales conditions remain valid.
- * Stock handling: no obsolescence and no specification modification are applied on the above mentioned P/N list.

No return or scrap for obsolescence will be accepted.

7. Support

For any question, please contact your C&K sales representative.
