

End of Life Notification EOL20.003

This document is an End of Life Notification (EOL) for first generation 100G QSFP28 SR4 products. The first generation is replaced by either the second or the third generation based on applications, which are both fully qualified and in high volume production.

Affected Part Numbers

The part numbers affected by this EOL and the suggested replacement part numbers as below:

EOL P/N	Replacement P/N	Application
FTLC9551REPM	FTLC9558REPM*	100GBASE-SR4 100G Ethernet
FTLC9551SEPM	FTLC9555SEPM FTLC9555FEPM	4x28Gb/s Multimode OTN 128G Fibre Channel
FTLC9554REPM	FTLC9555NEPM	Light or FEC-free applications, Infiniband EDR

Notes:

*Another option for replacement is FTLC9555REPM, if customer wishes to qualify the second generation for multiple applications that this platform supports.

End of Life Dates

All last time buy orders must be received by June 30, 2020. The last time ship date will be Dec 31, 2020.

Order Acceptance/Change Conditions

Any orders for the discontinued products listed above with a requested ship date after June 30, 2020 will be non-cancelable and non-returnable (NCNR). The words “non-cancelable, non-returnable” must be clearly indicated on these orders. These orders cannot be changed, rescheduled, or cancelled.

RMA Replacements

After Dec 31, 2020, II-VI reserves the right to replace any of the discontinued products listed above returned under RMA (Return Material Authorization) with their replacement products, or with a credit, if it is deemed II-VI responsibility.
