PCN85-2021 – New solder Mask on NanEye 2D Flex Connector

Dear Customer,

Please be informed that the current solder mask used on the NanEye 2D Flex connector is EoL and cannot be pursued any longer. Due to this reason, our supplier have qualified a suitable replacement which samples can be provided upon request.

ams AG have assured that the new material will not change the current specifications for the final product.

Implementation Plan

ams AG plans to implement this change as soon as the current stocks are depleted with an estimated date of Jan. 2022, according to current forecast and orders.

Please be advised that unless ams receive your written refusal concerning this change notification within 30 days, the change notification shall be deemed accepted.

If you do have further questions, please do not hesitate to contact ams team at any time.

Best regards,
