

C14 to C13 Power Cable, C13 to C14 PDU Style - 10A, 100–250V, 18 AWG, 2 ft., Black, 5-Pack

MODEL NUMBER: P004-002-5

Computer power extension cords connect 2 devices with C13/C14 power connectors or extend your existing power connection by 2 ft.

Features

C14-to-C13 Power Cables Connect Computers, Printers, Servers and Other Equipment This package of five IEC-320-C14 to IEC-320-C13 cables is designed for small data center, office workstation and other lower-amp applications. These C14 male to C13 female cords can be used to power computers, servers and monitors; attach routers and drives to a UPS system or PDU; or extend existing connections up to two feet. The two-foot length helps reduce cable clutter and minimize the risk of tripping.

Highlights

- Recommended for powering computers, printers and other essential peripherals
- Add 2 ft. to your existing connection to provide more flexibility in placing devices
- C13-to-C14 PDU-style extension cords are ideal replacements for worn-out or missing cable

Applications

- Connect devices like computers, servers and routers to a PDU up to 2 ft. away in your data center
- Extend existing power connections up to 2 ft. to more easily place devices or reach a power source near your workstation
- Provide high-quality replacements for worn-out or missing power cords

Package Includes

- (5) C14 Male to C13 Female Power Cables, 2 ft., Black
