TE Connectivity

Product Change Notification: P-15-012186

PCN Date: 02-NOV-15

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:
Changes to the Secure Copper RJ45 Product Offering

Description of Changes
The orange and violet color/keying option will be eliminated from the Secure Copper RJ45 product offering both for unshielded and shielded patch cords and also unshielded and shielded jacks. The entire field-installable Secure RJ45 modular plug kits will be discontinued. An enhancement will be made to the Secure unshielded and shielded patch cords by using a transparent slim-line boot allowing the patch cords to be used in high density applications.

Reason for Changes:	
Part status change. After having the Secure Copper RJ45 product line available in the industry for over 10 years, it has become apparent that the industry has a need for only 4 colors/keys. We will continue to offer the 4 colors/keys commonly requested (red, blue, green and yellow) for both the jacks and patch cords. Additionally based on sales it had been determined that the industry prefers to purchase Secure patch cords versus making their own patch cord from modular plug kits and for this reason we are discontinuing them. Lastly the new transparent slim-line boot is being used with the Secure patch cords to harmonize with our other patch cord offerings and offer customers a high-density solution if needed	
Estimated Dates:	
Last Order Date (Obsolete Parts Only):	First Date To Ship (Changed Parts Only):
02-FEB-2016	06-NOV-2015
Last Ship Date (Obsolete Parts Only):	Last Date for Mixed Shipments: (Changed Parts Only):
29-FEB-2016	04-JAN-2016

The documents listed below are being modified. Related parts that are not explicitly listed on this PCN are not being modified or discontinued as per the PCN. The Last Order Date, Last Ship Date, First Date to Ship Changed Parts and last date for Mixed Shipments apply only to parts explicitly listed on this PCN.

Note: This PCN contains only document changes, these changes do not affect the form, fit or function of the parts referenced.
