Product Change Notification: E-19-004382

PCN Date: 27-MAR-19

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:

CPC Connector Size 23 Self Centering Cable Clamp Kits

Description of Changes

Supersede 207774-1 with 207774-3 and supersede 207774-2 with 207774-4

Reason for Changes:

Discontinuance. Parts 207774-1 and 207774-3 are identical. Parts 207774-2 and 207774-4 are identical. Prior to 2008 the 207774-1 and 207774-2 were not RoHS compliant due to a coating on the screws and the 207774-3 and 207774-4 were released as the compliant versions. Since 2008, the same RoHS compliant screws have been used on all four of these parts. It does not make sense to maintain duplicate parts any longer.
