

Product Discontinuation

PDN-MI-7349-2021

Business Unit	Product Line Code	Type of Change	Action	Date of Issue
MI - Marking and Identification	BG2	Product Discontinuation	Notify Distributors and Field	10/26/2021

Phoenix Contact's factory has announced the following product(s) is going to be discontinued. Existing specifications will be met or exceeded. Technical support of the discontinued product will continue, as required. Please review and acknowledge this document and take the appropriate action with respect to your existing inventory and ordering replacement parts.

Description for Product Discontinuation

We always strive to provide you with state-of-the-art products for your application. To ensure this, it is necessary to regularly check the product range and adjust the product life cycle accordingly. As part of this process, we will be discontinuing the listed items. Please choose one of the many alternative items from our standard product list. If no replacement part is listed, please contact Technical Service for assistance finding an acceptable substitution.

Stock Status

Can existing stock still be used?	Yes
Is mixture of stock acceptable?	No

Transaction Dates

Last Buy from Phoenix Contact:	10/31/2022
Last Scheduled Ship from Phoenix Contact:	1/31/2023

Should you have any issues with the timeline or content of this product discontinuation, please contact Phoenix Contact using the information below. Customers should acknowledge receipt of the PDN within 30 days of delivery of the PDN; provided, however, that the failure to acknowledge receipt does not affect the product discontinuation or the effective date thereof.
