

Product Change Notification

PCN-AI-6827-2021

Business Unit	Product Line Code	Type of Change	Action	Date of Issue
AI - Automation Infrastructure	DNA	Product Change Notification	Notify Distributors and Field	5/27/2021

The following Phoenix Contact products have been modified. Existing specifications will be met or exceeded. Please review and acknowledge this document and inform your personnel as needed.

Description for Product Change Notification

The functions of the listed items have been extended. Important function extension with the option to deactivate output test pulses. In addition, the ability to create loops via a feedback operator and the function of an analog division in connection with a corresponding extension module have been implemented.

On the right-hand side of the housing, the HW/FW version will be increased. All items are fully compatible with the previous item revision.

Stock Status

Can existing stock still be used?

Is mixture of stock acceptable?

Transaction Dates

Date modification goes into effect from Germany: 3/1/2021

Expected first shipment (from Phoenix Contact) of the modified products(s): 3/1/2021

Should you have any issues with the timeline or content of this product change, please contact Phoenix Contact using the information below. Customers should acknowledge receipt of the PCN within 30 days of delivery of the PCN; provided, however, that the failure to acknowledge receipt does not affect the product change or the effective date thereof.
