

Product Change Notification

TE Connectivity

Product Change Notification: P-21-020828

PCN Date: 28-APR-21

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:
FL2500 No.3 and No.4 Products

Description of Changes
To support improving delivery and operational improvements in response to demand increases, TE Connectivity will be transferring the manufacturing of the listed products to our tubing production facility in Shanghai, China. TE currently produces some FL2500 product in Shanghai and transfer will allow us to better recover our past dues across all tubing products.

Reason for Changes:
Product improvement. To support past due recovery
