

Specification Sheet

Part Number: TAG53T2-100B

HellermannTyton Self-Laminating Labels come on rolls on a standard 3" core for easy loading into a printer or caddy.

Labels are conformable so that they can bend around small gauge wires and tight bends without coming loose over time.

Labels are UL recognized for indoor and outdoor use to expand application options.

HellermannTyton thermal transfer labels work in any thermal transfer printer so that the user always has options to get labels printed without being locked into a single vendor.
