Description of Changes
Manufacturing location change. Following Part Numbers will be transferred from plating department TE Kuřim Czech republic to approved plating supplier Diehl France: PN 2298217-1

Reason for Changes:
Dear Customer, as a result of our continuous strive for improving our processes, we hereby inform you about a transfer of plating processes. The transfer is executed by following a strict transfer procedure, which guarantees no negative influence on quality, ability to supply and form-fit-function of the concerned products. The new manufacturing location is under a certified quality management system according the standard industry requirements. An internal release based on our specifications will be executed before any parts will be delivered, which guarantees the performance.
