Product Change Notice

Classification of change:	**End of Life**
Description of change:	Product Discontinued / No Longer Manufactured
Reason for change:	EoL of GSM module
Expected influence on quality, reliability, and performance:	There will be no effect on the quality, reliability, or performance. There are no changes to form, fit, and function of the devices.
Products affected:	● Arduino MKR GSM 1400 (ABX00018)
Time schedule:	Start shipment date: n/a Last time buy date: n/a Last time shipment date: n/a
Sample availability:	n/a
Qualification data:	n/a
Issued by:	Head of Makers Business Unit: Alessandro Ranellucci
Contact information:	For questions or comments, please contact your Arduino sales representative.

Notice

Despite stable market demand for the Arduino MKR GSM 1400, we're sorry to announce that due to unavailability of some components including the GSM/GPRS module originally manufactured by uBlox, the product cannot be manufactured at this time and has entered the end of life. No stock is available at this time.

Open-source software and documentation related to this board that is currently published on the Arduino website will remain available at the following address:
https://docs.arduino.cc/hardware/mkr-gsm-1400
