

ST-100 - Cut-Strip Tool 22-24 AWG - Data Sheet

A revolutionary concept for easy and clean stripping of wires for wire wrapping, electronic and appliance applications. Biomechanically designed for maximum efficiency. Easy to operate... place wire (up to 4) in stripping slot with ends extending beyond cutter blades... press tool and pull... wire is cut and stripped to proper "wire wrapping" length. The hardened steel cutting blades and sturdy construction of the tool ensure long life. Strip length easily adjustable for your application. Blades are made from specially tempered spring steel for clean, nick-free wire stripping. Stripper supplied with a double blade to accommodate two gauge sizes, 22 & 24 AWG. Adjustable Strip-Off Length 1 5/16" to 1 9/16". Replacement Blade Part No. SB-2224.
