Product Change Notification: P-16-012837

PCN Date: 05-APR-16

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:

GET-SOCKET TERMINAL, SILVER VE

Description of Changes

TE issued PCN E-14-012287 in August 2014 notifying Customers of plating changes impacting the above TE part numbers. OEM's did not initially require new part numbers but reversed direction well into the PPAP approval process. As a result, many TE Customers approved the plating change based on the current part numbers. This PCN is to notify customers that new PPAP's with correct part numbers will be provided upon request when they order the new part numbers. Adding new 2- -X part numbers to each series which will be replacing the -X part numbers. This transition incorporating change is estimated to start in April of 2016. If your customer requires PPAP for these new part numbers, please submit PPAP request on their behalf.

Reason for Changes:

Customer Request.OEM driven part number change for traceability
