FDC - Field Device Connectors	ABN	Product Change Notification	Notify Distributors and Field	2/24/2023

The following Phoenix Contact products have been modified. Existing specifications will be met or exceeded. Please review and acknowledge this document and inform your personnel as needed.

Description for Product Change Notification

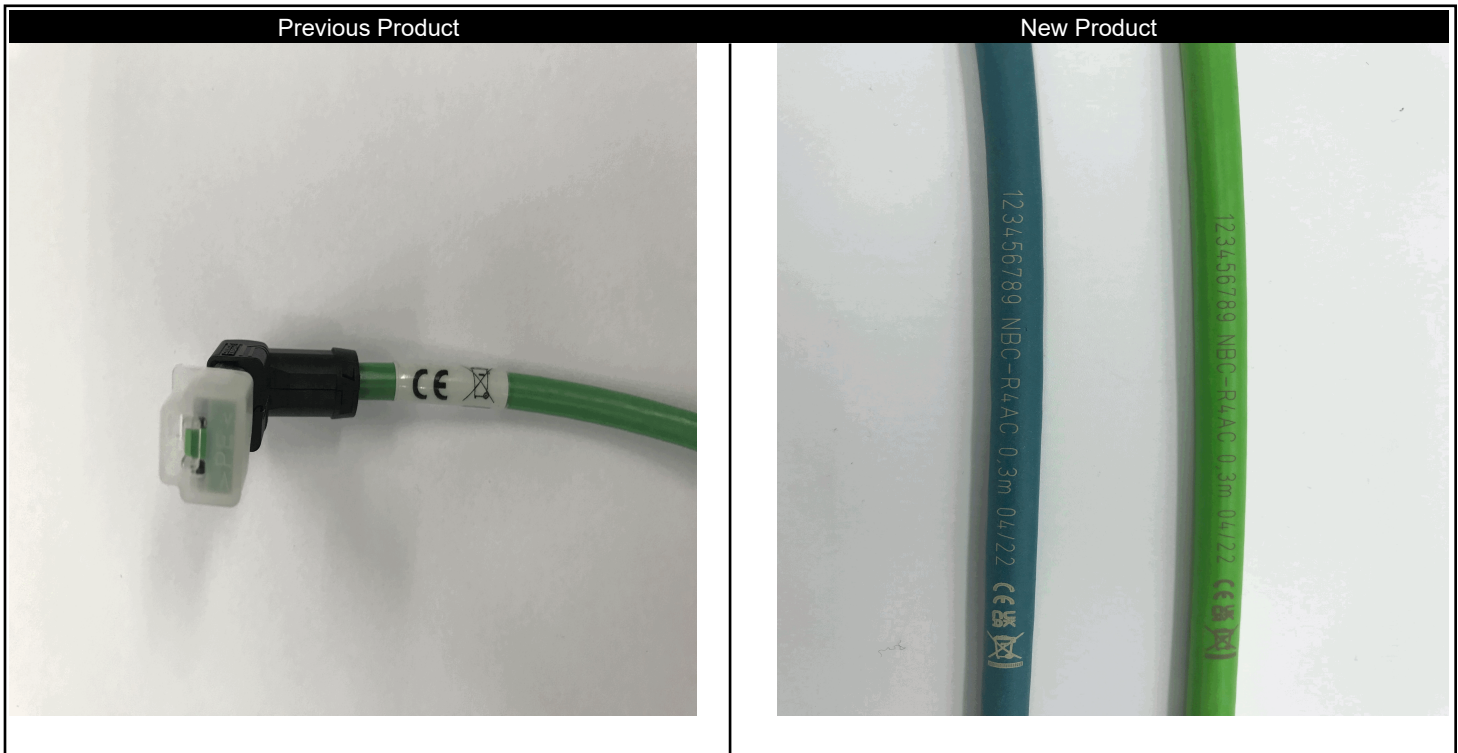

Due to steadily increasing requirements and approvals, a larger number of approval markings have to be applied directly to the products. Currently, the patch cables are equipped with a wrap-around label in which various approval markings (CE, WEEE, UKCA, UL) are shown. In order to improve the legibility of the markings and eliminate the wrap-around label going forward, markings will be lasered directly onto the cable along with other cable markings.

Stock Status

Can existing stock still be used?	Yes
Is mixture of stock acceptable?	Yes

Transaction Dates

Date modification goes into effect from Germany:	8/15/2023
Expected first shipment (from Phoenix Contact) of the modified products(s):	8/15/2023
