

## Product Change Notice

Issue Date: 1 Sep 2020

**Change Type:**

IC Change

**Parts Affected:**

ACNW3430	ACNW3410	ACNU-3430	ACNU-3410	ACNT-H343
----------	----------	-----------	-----------	-----------

All associated options and specials will also be affected. See Appendix for full part number list.

**Description and Extent of Change:**

Change in IC.

**Reasons for Change:**

To improve the robustness of the IC performance for application at extreme conditions.

**Effect of Change on Fit, Form, Function, Quality, or Reliability:**

No change in fit, form and function. No change requires in customer's existing application. All other remaining electrical specifications in datasheet and physical characteristics have not been changed.

**Effective Date of Change:**

Product shipments using this change will begin with date-code starting from 2049 (yyww). Timing of shipment of the changed part will vary by part number depending on customer demand and inventory levels.

**Qualification Data:**

Data has been generated and approved.

**Appendix:**

<b>Affected Part Number</b>
