Tuesday 14th June, 2016

Dear Customer,

Re: Obsolescence notification for Harwin product.

Please be advised that there are a number of items that are now obsolete. Some of these items have a Last Time Buy (LTB) date of 16th September 2016:

- D01-602 series (LTB 16th September or until stocks last)
- M30-130 series
- M30-140 series
- M30-3000046
- M30-301 series
- M30-310 series
- M30-401 series
- M30-410 series
- M30-5000005
- M30-501 series

The rest of the items are obsolete with immediate effect:

- D01-6030001
- Various Datamate J-Tek previously sold under incorrect part numbers
- Various customer specials
- Miscellaneous items

Stocks will remain of some items, but some of the LTB products may be subject to a high MOQ – please contact your normal Harwin Sales contact or distributor. Please see the attached spreadsheet for a complete list of affected items. Unfortunately, we are no longer able to support these products.

If you have any further questions regarding this letter, please do not hesitate to contact us.

Yours faithfully,

The Product Management Team
technical@harwin.com

If you have not been sent the accompanying spreadsheet, please request it from the contact that sent you this letter.
