

## Part Change Notice: MX19 Supplier Tooling Replacement

JAE's supplier for the molding production of MX19 seal rings and grommets will replace the molding tooling as the existing mold tooling has reached the end of its lifecycle. The connector will meet all of the same dimensions and specifications as before. There will be no changes to the connector handling, form, fit, or function.

### 1. Applicable Product(s)

MX19002S51

MX19002S52

### 2. Change

There will be a replacement in molding tooling.

### 3. Schedule

The deadline date to request documentation and provide feedback about concerns with the change is **March 24<sup>th</sup>, 2023**.

If you have any questions regarding this matter, please contact your JAE account manager.  
Thank you for your cooperation.
