

## Product Change Notification

### PCN-AI-7494-2021

Business Unit	Product Line Code	Type of Change	Action	Date of Issue
AI - Automation Infrastructure	DNA	Product Change Notification	Notify Distributors and Field	12/21/2021

*The following Phoenix Contact products have been modified. Existing specifications will be met or exceeded. Please review and acknowledge this document and inform your personnel as needed.*

#### Description for Product Change Notification

**Purpose/objective of the change**  
Due to quality improvements, the hardware of the items listed is being changed.

**Detailed description of the change**  
Due to the hardware change, the listed items can no longer be operated via an AC supply voltage, and are therefore only compatible with old item versions to a limited extent. The modified technical values are listed in the attachment. In addition, non coded plugs will be installed and the packing slip will be changed over to a new documentation concept.

**Identifying characteristics**  
In addition to the year of manufacture, the calendar week will also be displayed below the CE mark. The various pictograms and TÜV approvals will be displayed in the lower area on the left half of the housing ; the plug will no longer be coded.

#### Stock Status

Can existing stock still be used?	Yes
Is mixture of stock acceptable?	No

#### Transaction Dates

Date modification goes into effect from Germany:	1/31/2022
Expected first shipment (from Phoenix Contact) of the modified products(s):	1/31/2022

Phoenix Contact Inc.
