

<b>Product Name:</b>	Bergstik		
<b>Product Manager:</b>	Franck CHAPOUILLY		
<b>Subject:</b>	Product Change Notification		
<b>Distribution:</b>	Global Distribution		
<b>Type of Change:</b>	Product Design Change		
<b>Change Description:</b>	<p>FCI will deliver full gold plating Bergstik series now in Duplex plating and with std housing (no more groove for latching option).</p> <div style="display: flex; justify-content: space-around;"> <div style="border: 1px solid black; padding: 5px;">Simplex to duplex</div> <div style="text-align: center;">  <p>NEW tin solder tail</p> </div> <div style="text-align: center;">  <p>NEW tin solder tail OLD</p> </div> </div> <hr style="border: 1px solid red;"/> <div style="display: flex; justify-content: space-around;"> <div style="border: 1px solid black; padding: 5px;">Housing change</div> <div style="text-align: center;">  <p>STD housing OLD</p> </div> <div style="text-align: center;">  </div> </div>		
<b>Reason for Change:</b>	<p>As a direct consequence of an un-repairable equipment breakdown, FCI can no longer support the supply of a limited range of specific BergStik™ part-numbers as per the list attached. This is mainly series 75844 - 75160 - 75168 - 76350 - 75188 - 76345 - 75189 - 75209 - 75210</p> <p>Therefore, where-ever the application of these products allows, FCI proposes to supersede the affected series with FCI's standard series BergStik™ products. See attached List for full cross reference. You can contact your sale representative or Product Manager directly if you need any assistance in identifying a replacement part number, or want to consider other alternative options (such as latches options).</p>		
<b>Affected Parts:</b>	See list attached		
<b>Effective Date of Change:</b>	November	04	2011
<b>Last Time Buy Date:</b>	N/A	N/A	N/A
