RADSOK R2 EOL

Dear Sir or Madam,

Our products are designed to reflect demands from the markets and support our customers in reaching their goals. To ensure this despite changes in technology and markets our portfolio is reviewed on a regular basis. As a result of that below part numbers will be discontinued and no longer be available in the future:

see PN's in attachment

We want to give you an opportunity to give us your bundled demands if your required PN is affected. Please let us know your demand until 19.04.2019.

There is no 1:1 replacement so please feel free to contact your Industrial@Amphenol contact person to determine a sustainable solution that can be implemented as successor.

Best regards

Tobias Bürgler
